HONOURS PROGRAM
YEARS 10-11, 2016

A UNIQUE OPPORTUNITY TO EXTEND YOUR HORIZONS

At Hillcrest Christian College we offer a unique distinctive, in that we have an Honours Program for our gifted and talented students. This program is available to students based on their being able to meet the Honours Program Criteria and their ability to commit to the opportunities that the program provides.

ACCEPTANCE IN THE COURSE PROVIDES

- Small group tutoring in Honours English and, or Honours Mathematics. These programs focus on enhancing the students skills and understanding in order for students to accelerate and extend their learning in English and Mathematics.
- Mentor program with a selected staff member to plan potential pathways.
- Access to special tutorials conducted by university tutors on campus two afternoons a week, 3.00-5.00pm.
- Access to Griffith Partnership Programs offered on Campus in the areas of Mathematics, Chemistry, Biology, Physical Education and Information Technology.
- Opportunity to accelerate learning by studying subjects from other year levels. For example study 11 Chemistry whilst in Year 10.
- Option to undertake the QCAA accredited courses for Extension English and / or Extension Mathematics in Year 12.
- Access to study selected Bond, University of Queensland, Griffith and Southern Cross University subjects whilst in Year 10 to 12.

In addition to this, the College has partnered with Bond, Griffith, Southern Cross and the University of Queensland to offer a range of pre-entry university courses that students can undertake as part of their studies.

For select students, the College also offers up to a three year scholarship towards their tuition fees.

HONOURS COURSE REQUIREMENTS

- Achievement to a high academic standard in the current subjects being studied.
- Maintain G.P.A. (Grade Point Average) of 13 or above in all but one subject in the chosen subjects.
- Commitment to attend tutorials and / or University tutor sessions.
- Commitment to uphold the College’s Community Expectations.
- Involvement in special programs offered from time to time as part of the course.
